TECHNICAL—(RAILWAYS.)

(*Nos.* 30 *and* 31.)

SUBJECT NO. 30.

Facilities for export and import through Railway.

Mr. Settara Channappa, Nyamti Municipality.

Summary of Representation:—Goods sorted at Railway Stations for export and import are being stolen, causing great loss to the owners. Greater facilities may be created at Railway Stations to merchants for sending their goods.

Note.—Not discussed owing to the absence of the proposer.

SUBJECT NO. 31.

Supply of more waggons at Railway Stations.

Mr. Settara Channappa, Nyamti Municipality.

Summary of Representation.—A sufficient number of waggons may be made available at Railway Stations for the export and import of goods.

Note.—Not discussed owing to the absence of the proposer.

SELF-GOVERNMENT.

(*Nos.* 32 *to* 37.)

SUBJECT NO. 32.

Cattle-Pound Receipts.

Messrs. Ramanna and Suryanarayana Rao, Tumkur Taluk and Vasudeva Rao, District Board, Tumkur.

Summary of Representation.—All receipts from cattle pounds are now credited to Treasuries. A bill for the pound-keeper's commission and price of grass (ಹಣದ ಖರ್ಚು) is then prepared in the taluk and submitted to the President's Office. After sanction, a cheque is issued for the amount which will have to be cashed by the Amildar and paid to the pound-keeper. This cumbrous procedure takes up much time and is in no way helpful to speedy disposal of work. The pound-keeper may be empowered to credit only the balance of the amount, after deducting the commission due to him.

Note.—Not discussed owing to the absence of the proposer.

SUBJECT NO. 33.

Disposal of sites in Municipalities.

Mr. C. Channakesaviah, Chitaldrug Taluk.

Summary of Representation.—To prevent abuse of the powers of Municipal Councils in the matter of the disposal of sites, the following provision may be introduced in the Regulation :—

(1) A list of all sites available to the public must be published in each municipality with their upset price per square yard and when there are two or more applicants for the same site, such site must be put up for public auction, as is being done in the Revenue Department.

(2) When any Municipal Councillor desires to purchase any site, it must be done, subject to the approval of the Deputy Commissioner or Government, whatever may be the value of the site.

(3) No Municipal site should be granted free of cost to any one without the sanction of Government.

Note.—Not discussed owing to the absence of the proposer.
